The Demography of Ageing

3-4 ottobre 2024

University of Rome La Sapienza, Italian National Institute of Statistics (Istat)

October 3: Aula Gini, Department of Statistical Sciences, University of Rome La Sapienza, Piazzale Aldo Moro, 5, Rome.

The results obtained by the Age-It Research Program, Spoke 1, are presented and discussed, with a particular focus on policy implications.

October 4: Aula Magna Istat, Via Cesare Balbo 14, Rome.

The results obtained by the Age-It Research Program, Spoke 1, are presented and discussed, focusing on the collaboration between Academia and Istat (the Italian National Institute of Statistics), and on the implications for Official Statistics.
